

Introduction

IEC 60079-11/GB 3836.4; IEC 61643-21/GB/T 18802.21
IEC 62305-1~IEC 62305-5; IEC 61508-1~IEC 61508-7

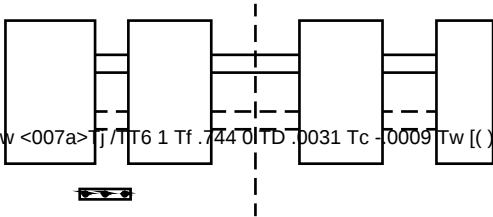

Model description

S-FLT series
Intrinsic Safety Signal
Surge Protective Devices

Features

- z Width of 12.4 mm, plug in gold plating;
- z Multiple protection circuit, strong resistance to surge;
- z Electric plugging, continuous line, easy maintenance;
- z A variety of models to meet different requirements.

Nanjing New Power Electric Co., Ltd.
